No. 75.

In exercise of the powers conferred by paragraph (b) of sub-section (2) of section 242 of the Government of India Act, 1935, His Excellency the Governor is hereby pleased to make the following amendment to the Madras Leave Rules, 1933 :—

AMENDMENT.

Rule 23 of the said rules shall be lettered as sub-rule (a) of that rule and to the rule as so lettered, the following sub-rule shall be added, namely :—

Fort St. George, July 11, 1939.

No. 76.

The following resolution of the Government of India is republished.—

FINANCE DEPARTMENT.

Simla, the 3rd June 1939.

No. F. 1 (1)-R. I/37.—With reference to paragraph 4 of the resolution of this department, No. F. 1 (1)-R. I/37, dated the 1st December 1938, the Governor General in Council is pleased to prescribe, under Fundamental Rules 116 and 117, the rate of 11 per cent of pay drawn in foreign service as the rate of monthly contribution for leave salary payable during active foreign service in respect of all classes of Government servants (excluding inferior Government servants) transferred to such service, who are subject to the Revised Leave Rules, 1933.

2. In arriving at the rate mentioned in the preceding paragraph it was not found feasible to proceed on the basis of the actual amount of leave taken by Government servants under the Revised Leave Rules. The rate was calculated by making the following assumptions :—

(1) The average length of service of a Government servant surviving till pension is 32 years. (This is based on actuarial advice.)

(2) The amount of earned leave (on average pay) enjoyed by a Government servant is on the average the maximum amount of such leave admissible to him.

(3) The amount of leave on private affairs, or on medical certificate (i.e., leave on half average pay), enjoyed by a Government servant is roughly half the maximum amount of such leave admissible to him.

3. The rate will take effect from the 1st of June 1939.

N.B.—Should the number of candidates who have applied to be examined at any one of the above centres fall short of *fifty*, the candidates that selected that centre must be prepared to proceed, at their own expense, to the nearest centre where the examination may be held. Timely notice will be given to the candidates concerned.

5. *If a candidate who belongs to one Indian State selects a centre in another Indian State he should submit his application for admission to the examination through the educational authorities of the State to which the centre selected belongs, so that they may have an opportunity of disallowing the selected centre and directing the candidate to select a centre in the State of which he is a resident. When objection is not taken, candidates may conclude that their names will be registered for examination at the centres mentioned by them in their applications.*

6. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and no candidate will be allowed to name more than one centre. No candidate will on any account be allowed to change the centre of examination entered in his application which must invariably be the place where he is employed or ordinarily resides or should it not be a centre the place nearest to it where the examination is held. A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination annulled.

7. Candidates whose Examinations, either Written or Oral and Practical, cannot be arranged for at any place must, *at their own expense*, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear. The Oral and Practical Examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

N.B.—To guard against disappointment in the case of such of the Oral and Practical Examinations as may be held either before or after the Written Examinations, candidates are recommended to refer to Part I-B of the *Fort St. George Gazette* from time to time as no information will be sent to them.

SCALE OF FEES, WHEN AND WHERE TO BE REMITTED BY CANDIDATES.

8. The following is the scale of fees to be paid by candidates for admission to the examinations:—

	Lower grade.	Higher grade.
	Rs.	Rs.
For each subject	6	15

N.B.—No candidate will be permitted to come up for examination in more than one grade or test in the same subject at the same time.

9. Candidates who have passed in the Second class in any subject and grade may come up to qualify for the First class in that subject and grade on paying the full examination fee prescribed therefor.

NOTE.—Candidates coming under this category must specify accordingly in their applications.

10 (*a*) Candidates who are employees of the Government of Madras and who desire to be exempted from payment of the prescribed fees should send in (so as to reach this office on or before the dates specified under paragraphs 18 and 19) their applications through the head of the office, in which they are employed, together with a certificate from the appointing authority to the effect—

(i) that the candidate is at the time of the application undergoing probation and training and that the Government Technical Examinations (subjects with grade to be specified) is prescribed as part of his probation and training whether recruited direct or by transfer,

or

(ii) that it is prescribed as qualification necessary for the candidate to continue in his post without penalty,

or

(iii) that it has been newly imposed on the candidate already in the service concerned.

(*b*) The applicants should furnish the following particulars also through the officer granting them the certificate for exemption from payment of fees.—

(1) the specific clause [vide (i), (ii) and (iii) above] under which the applicant's case is covered,

(2) if the applicant's case is covered by clause (ii) or (iii), the subject with grade for which, the year, the session (i.e., the month) of examination when, the centre where and the number of times he appeared for the examination availing himself of the concession of exemption from payment of fees previous to his applying now; or if the fee paid, was ever at any time previous to this refunded to him the year and the session of examination to which such refund related as also the amount of refund made in respect thereof,

(*c*) Certificates for exemption from payment of fees submitted by candidates in respect of previous sessions of examination cannot hold good for the session they are applying and no copy of certificate can be accepted. It is therefore incumbent upon the candidate to obtain one afresh from the appointing authority and submit the same along with the prescribed application form duly filled up.

In the absence of the particulars required above, the applicants will distinctly understand that their cases will not be considered.

11. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Reserve Bank of India, and the receipt (supplied to candidates along with forms of application) signed and given by the Treasury Officer or the Reserve Bank of India attached to the application, which in every case must reach the Commissioner's Office on or before the 10th August.

12. Applications for admission to the examination submitted after the prescribed date will be entertained only on payment of a penal fee of five rupees each and no such applications will be entertained after the lapse of fifteen days from the prescribed date for receipt of applications.

13. *On no account will the fees be received in the Commissioner's office whether sent in cash or by Post Office orders. Neither M.O. coupon nor any temporary receipt that may have been granted, can be accepted. It is therefore incumbent upon the candidate to obtain a receipt from the Treasury Officer to whom the amount was sent and forward the receipt so obtained to this office at once, care being taken to see that this receipt also reaches the office by the date prescribed for the submission of applications. No application will be registered unless it reaches the Commissioner's Office by the date prescribed.*

14. *The fee paid will not ordinarily be refunded nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be refunded. Candidates are warned to study the Notification carefully and satisfy themselves before remitting their fees, that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed, at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written or the Oral and Practical examinations.*

APPLICATION FORMS—PROCURING OF—FILLING IN AND THE SUBMISSION OF APPLICATIONS, ON OR BEFORE THE 10TH AUGUST

15. Applications prepared in manuscript or typewritten forms or forms intended for other examinations will not be accepted.

16. Candidates in the mufassal should obtain the required application forms from the treasury of the taluk in which they are residents or of the district to which they belong. Candidates in Mysore and Hyderabad States should obtain the same from the Resident's Treasury, those in Travancore, Cochin and Pudukottah States from the Resident's Treasury, Trivendrum; and those in Coorg from the Treasury Office, Coorg, Mercara. Candidates who are residents of Madras should apply for application forms to the Secretary to the Commissioner for Government Examinations, Cathedral Post Office (Madras) and not to the Collector of Madras.

NOTE.—No notice will be taken of any applications from candidates in the mufassal requesting to be supplied with application forms from that office.

17. Only one form of application should be used by each candidate, although he may bring up several subjects mentioned above and come up for different grades.

18. Candidates must send in their applications made out clearly in English on printed forms so that they may reach the Commissioner's office on or before the 10th August, after which date and for fifteen days only (viz., till the 25th August 1939), applications will be entertained on payment of a penal fee of rupee one each and no such applications will be entertained after the lapse of fifteen days from the prescribed date for receipt of applications.

19. To admit of the applications reaching the Secretary to the Commissioner for Government Examinations on the due date, candidates should remit their fees sufficiently early, even three or four days before the latest date so that the applications together with their enclosures may reach this office on or before the prescribed date for receipt of applications.

20. Candidates should write their names in BLOCK CAPITALS their father's names and their house names *distinctly* and in *full* in their applications; if 'Hindus' they should state in column 3 of their applications whether they are 'Brahmans,' 'Non-Brahmans Hindus,' or 'members of scheduled classes.'

NOTE.—Women candidates should write the letter 'W' in brackets against their names in column 1 of their applications.

21. Only one centre ought to be selected by each candidate, although he may offer several subjects for examination and come up for different grades. The centre selected must *invariably* be the place where he is employed or ordinarily resides. All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications and also the names of applicants) by the head of that institution, no application of any private candidate being enclosed with these applications.

22. Every application should contain satisfactory proof of the applicant's general educational attainments by reason of which he is eligible to appear for the examinations in the subjects and for the grades in them brought up by him.

NOTE.—(1) (a) In the case of those candidates who have commenced the Secondary School Leaving Certificate, full particulars with regard to the name of school, the year when and the serial number of the certificate;

(b) in the case of those who have passed the Matriculation or P.U.C. or Intermediate in Arts, or B.A. or M.A. Degree Examinations, full particulars with regard to the date and page of the *Fort St. George Gazette*, announcing their success in the examinations, as the case may be, should be correctly filled in the columns provided for the purpose in the prescribed application form for admission to the Government Technical Examinations.

(2) Applicant who claims to appear for the Higher grade examinations in the subjects of the group "Commerce" (except Shorthand—English—High Speed Tests) or reason of rule (2) at (2) under paragraph 3 of the conditions of admission specified under paragraph 2 supra should send for "Registered pass" to this office *along with his applications* for admission to the examinations, the S.S.L.C. for reference and return or an authenticated copy of the marks of the S.S.L.C. Public Examination.

(3) Candidates who do not possess the required general educational qualifications but once appeared and failed in a particular subject and grade, or were once permitted by the Commissioner to come up for a particular subject and for a particular grade will be admitted *provided* that they are appearing in the same subject and for the same grade and that in the two examinations, the year when they failed, and the centre at which they appeared, and in the latter case, the number and order of the Commissioner granting them the permission.

23. The subject the applicant desires to be examined in should be specified exactly as it is described in the Notification regulating the Government Technical Examinations or as they are described in this notice under the heading "Subjects of Examinations."

NOTE.—Candidates are particularly requested to note carefully the Notification printed under the headings "Subjects of Examinations") when they fill in the application forms, and such particulars as are necessary (vide notes (a) to (c) under "Subjects of Examination") must invariably be noted by them in their applications in unequivocal terms.

24. The occupation or profession of candidates, or the appointments held by them and their addresses (postal address) should invariably be stated in full in column 10 of their applications.

NOTE.—Candidates should particularly see that they do not fail to sign and date their applications at the columns provided for the purpose.

25. Instructions to Candidates Appearing for the Examinations to be held in September 1939 and January 1940.

Candidates for University Examinations are required to observe the following instructions very carefully :—

1. Silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for distributing the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each answer book. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to a paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. *Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued and their conduct will be reported to the Syndicate for disciplinary action.*

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, blotting pad, cardboard, manuscript, or paper of any description and from making use of any of these whether introduced into the room by themselves or by any one else; from communicating with or copying from each other; and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be summarily sent out of the room forthwith, and his conduct will be reported to the Registrar. Such a candidate stands the risk of having all his answer papers for the examination for which he has appeared rejected by the Syndicate and of being debarred from sitting for the University examinations for such period as the Syndicate may decide.

The use of utensils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in Mathematics, Physics, Chemistry, Chemical Technology and Geography of the Intermediate, B.A., B.Sc., B.A. (Honours), B.Sc. 10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink bottles. They must, however, use only black ink while answering their question papers.

11. Particular attention is requested to the instructions, regarding rough working and loose sheets of paper printed on the answer books. All rough working must be shown on the left hand page of the answer books themselves against the respective answer. *The number of each question as given in the question paper should be noted both in the margin and in the centre of the page of the answer book just above the respective answer.* No separate books for rough working will be supplied to candidates. Papers must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

12. When candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular parts of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

13. Candidates sitting for the examinations at the different centres should apply to the Chief Superintendent of the respective centre for their hall tickets three days before the commencement of the respective examinations. *Any particulars noted in the hall ticket differing from those given in the application for the examination should be immediately reported to the Chief Superintendent by the concerned candidate.*

It will not be permissible for candidates to sit for the examination at a centre other than that mentioned in the applications without the special permission of the University. No permission for change of centre will be granted after the applications are registered.

14. *Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. The contractor should closely peruse all the specification clauses which govern the rates which he is tendering.

9. A schedule of quantities accompanies this tender notice. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of this schedule, and that this schedule is liable to alterations by omissions, deductions, or additions at the discretion of the Executive Engineer, Madanapalle Division, or as set forth in the conditions of contract. The tenderer will, however, base his lump-sum tender on this schedule of quantities. He should quote specific rates for each item in the schedule, and the rates should be in rupees, annas, and in some of three pies. The rates should be written both in words and figures and the units in words. The tenderer should also show the totals of each item and the grand total of the whole contract, and quote in the tender a lump-sum for which he will undertake to do the whole work subject to the conditions of contract. This schedule accompanying the lump-sum tender shall be written legibly and free from erasures, overwritings or conversions of figures. Corrections, where unavoidable, should be made by crossing out, initialling, dating and rewriting.

10. Tenders offering a percentage deduction from or increase on the estimate amount and those not submitted in proper form or in due time will be rejected. Rates or lump-sum amounts for items not called for shall not be included in the tender. No alteration should be made by the tenderer in the contract form, the conditions of contract, the drawings, specifications or quantities accompanying same will be recognized, and, if any such alterations are made, the tender will be void.

11. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

12. The price at which and the source from which certain particular materials shall be obtained by the contractor are given at the end of the schedule accompanying the tender form. Tenderers must accept the material at these prices, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials, the charge to the contractor will remain as originally entered in the written contract. No cartage or incidental charges will be borne by Government in connexion with this supply.

13. The attention of the tenderers is directed to the contract requirements as to the time of beginning work, the rate of progress and the dates for the completion of the whole work and its several parts. The following rate of progress and proportionate value of work done from time to time, as will be indicated by the Executive Engineer's certificates of the value of work done, will be required. Date of commencement of this programme will be the date on which the site (or premises) is handed over to the contractor.

Period after date of commencement.	Percentage of work completed (based on contract lump-sum amount).
Two months	25 per cent.
Four months	50 per cent.
Six months	80 per cent.
Seven months	100 per cent.

14. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorizing others to receive payments on the contractor's behalf.

15. If further necessary information is required, the Executive Engineer of the Division will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

16. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

No. 623.

Under Note II to rule 5 and the Note under clause (a) of rule 21 (1) of the Madras Tobacco (Taxation of Sales and Licensing) Rules, 1939, if payment of the tax or fee is made by cheque, the cheque should be such as may be received at the treasury under the Madras Treasury Code. With reference to these provisions, the following instructions in regard to payment by cheques are published for the information and guidance of those who have to pay the tax or fee under the said rules :—

INSTRUCTIONS FOR PAYMENT BY CHEQUES OF LICENCE FEES AND TAX PAYABLE UNDER THE MADRAS TOBACCO (TAXATION OF SALES AND LICENSING) ACT, 1939

Payments in the Madras City.—Payments on account of licence fees or tax payable in Madras City will be accepted at the Madras Taluk Treasury in the form of cheques in favour of the Tahsildar of Madras provided the cheques are drawn on any Madras Bank having a clearing account with the Reserve Bank of India. If, however, it is desired to forward the cheques direct to the authority to whom the licence fees or tax has to be paid, the cheque should be drawn in favour of the authority concerned instead of in favour of the Tahsildar of Madras.

Payments in the mufassal.—Payments on account of licence fees or tax payable in the mufassal will be accepted in the form of cheques at any Government treasury or sub-treasury in the district in which the licence fees or tax has to be paid, provided that the business of such treasury or sub-treasury is conducted by a branch or a Treasury Pay Office of the Imperial Bank of India acting as the Agent of the Reserve Bank of India and provided the cheques are drawn on a "local bank" (i.e., a bank situated in the same station as the treasury or sub-treasury concerned). Such cheques should be drawn in favour of the Treasury or Sub-Treasury Officer concerned and presented at the treasury or sub-treasury for credit to the Government account If, however, it is desired to send the cheques direct to the authority to whom the payment has to be made, the cheques should be drawn in favour of the authority concerned instead of in the Treasury or Sub-Treasury Officers concerned.

2. The banks which have a clearing account with the Reserve Bank and the treasuries and sub-treasuries, the business of which is conducted by a branch or a Treasury Pay Office of the Imperial Bank of India acting as the Agent of the Reserve Bank of India, are shown in Appendices I and II of these instructions

3. When payment is made by cheque at a Government treasury, the treasury or sub treasury will issue a receipt only for the cheque in the first instance and will send a formal receipt for the payment by post after the cheque has been cleared. It will therefore be necessary for a person who pays by cheque to do so sufficiently in advance so that he may receive the final receipt in time to send it to the authority concerned.
